Elizabeth - Jesus Saved My Life

I grew up in a Christian home. My parents were amazing. I was in church every Sunday but Jesus wasn't the Lord of my life. At a very young age I was molested at a day care. That started to shape some of my sexuality. I always felt odd and out of place. I was very promiscuous in High School. I would get kicked out of school all the time and found trouble everywhere. I was using drugs and was drinking constantly. At the age of 21, I married a man who I believed would be my "savior." I quickly discovered he was a secret heroin user. Soon I followed him into this horrible addiction. There was so much disfunction and abuse in our lives. My family was praying for me and looking for any way to help. My mom invited me to a Christian women's event. I reluctantly said I'd go. I actually challenged God and almost mocked him in my heart by saying, "Ok God, if you're real, show me something." I walked into the event, I felt an overwhelming peace and realization of the presence of God! This started me on the path to sobriety, but I didn't take it to heart and still lived life my way for a while. More bad

relationships. I slept around and did just about anything to feel loved and important. Eventually, I ended up working in the sex industry, selling myself and doing X-rated modeling. All I ever thought I had to offer was my body and felt like I had no worth. As long as I looked pretty, I felt I could go on. I was miserable and went back to drugs. I got strung out on pills. On several occasions I overdosed and felt my soul leaving my body. I cried out in terror and said, "Jesus!" Amazingly I returned to my body. Finally, I started reading God's word and returned to the faith I was raised with. I eventually surrendered to Jesus. I really felt the power of God change me. I struggled trying to make changes and live clean. I had these street pills that I wanted to take but something inside would NOT allow me! Later the news reported those same pills killed several people in the city! I felt His love, protection, and acceptance. Jesus became my Lord, my love my everything.

"He heals the brokenhearted and binds up their wounds." Psalm 147:3

Ivan - From Hell to Heaven

I actually accepted Jesus as a little kid. Later as a young adult I fell away from my faith. I started doing everything everyone else was doing, partying, hanging at nightclubs, dancing and just living for my own selfish desires. Strangely my leg started swelling up and found out it was due to a blood clot. I went to the hospital for ten days then I was released to go home. I still didn't feel right but smoked some weed and drank some beer with my lady. I fell asleep that night still not feeling normal, I just felt off. That night as I was sleeping I felt this strong arm grab me! I tried to fight back but it was hopeless. Then I noticed my body still laying in the bed. I knew I was dead! It's hard to explain but in this spiritual state there's some things we just instantly know as truth. I was horrified by what I heard, multitudes of voices screaming out in anguish. I saw so many people trapped in their own small prisons with no hope of ever getting out.

I knew my life was over and that this was my final destination. Right as all hope was lost I heard the most powerful voice say, "It's not his time, I made a promise to his mother." Instantly I was transferred out of this horrible place into the most beautiful place ever, Heaven! I saw so many amazing things. I can't hardly due it justice because it's so other-worldly and incredible. God is the awesome Creator of life. I got to see the timeline of earth and how our amazing God made this earth. When I came back to my body I was shocked. I cried for six hours, just praying and asking Jesus to forgive me. Later on I learned that I was actually dead for about 3 hours. I've served Him ever since and it is the best life. Please call out to Jesus, repent of your sins. Follow Jesus and share Him and His glory everywhere!

"The time has come, the Kingdom of God has come near. Repent and believe the good news." Mark 1:15

WHO IS THE HOLY SPIRIT?

He's the Spirit of God, a.k.a. the Holy Ghost.

He is our friend, guide and source of power.

"Each of you must turn from your sins and turn to God, and be baptized in the name of Jesus Christ for the forgiveness of your sins. Then you will receive the gifts of the Holy Spirit." **Acts 2:38**

"Don't you realize that all of you together are the temple of God and that the Spirit of God lives in you?" **1 Cor. 3:16**

"But you will receive power when the Holy Spirit comes upon you. And you will be my witnesses, telling people about me everywhere—in Jerusalem, throughout Judea, in Samaria, and to the ends of the earth." **Acts 1:8**

True Holy Spirit power will point people to Jesus and will give glory to God not to people or special gifts.

"But I will send you the Advocate the Spirit of truth. He will come to you from the Father and will tell all about me."
John 15:26

LORD, teach us how to PRAY...

~ The Lords Prayer ~

Our Father who art in heaven, hallowed be thy name. Thy kingdom come. Thy will be done on earth as it is in heaven. Give us this day our daily bread, and forgive us our sins, as we forgive those who sin against us, and lead us not into temptation, but deliver us from evil. For thine is the kingdom and the power, and the glory, forever and ever.

Amen.
